

## Volunteer with us!

The success of the programs run by Blue Haven Care is due to the involvement of volunteers, as the use of committed community members ensures the funded programs are run at optimum level. Volunteers provide our clients with transport, one-on-one social support, group activities, outings and respite for carers.

## What is Blue Haven Care?

Blue Haven Care offers a true continuum of aged care services and a wide range of disability services.

Our caring, qualified and dedicated team provide in-home support services tailored specifically to meet people's needs. Supporting people to stay independent for as long as possible.

We provide the highest standard of care for our residents from BHC aged care home so they can live with privacy, dignity, and respect while being encouraged to maintain independence.

## BHC Activities that require Volunteer Support!

### + COMMUNITY TRANSPORT

Provides accessible transport aimed at assisting clients to remain independent and living in their own homes. Buses and cars are used to transport clients for non-urgent medical appointments, shopping, and local day groups.

### + RESPITE

BHC provides support to carers through a number of activities including 'Out and About' that runs on a Monday and Friday afternoon, for people with mild to moderate dementia. We also provide in-home respite, to give carers a break.

### + SOCIAL SUPPORT

The program provides social support services including social home visits, assistance with individual shopping and social bus trips.

### + CENTRE-BASED CARE

The aim of the centre-based care is to provide a group setting for older people that allows for structured activities designed to develop, maintain and support the capacity for independent living and social interaction.

### + AGED CARE HOME

We provide the highest standard of care for residents in a safe, home-like environment operating in an environmentally and socially responsible way.

## Volunteer Roles

- + Bus Drivers
- + Bus Assistants
